

The background of the image is a dark gray grid with various Tetris-style shapes in blue, yellow, red, and green. These shapes are scattered across the grid, some overlapping. In the center, there is a dark gray rectangular box containing white text.

Leveling Up GameStop

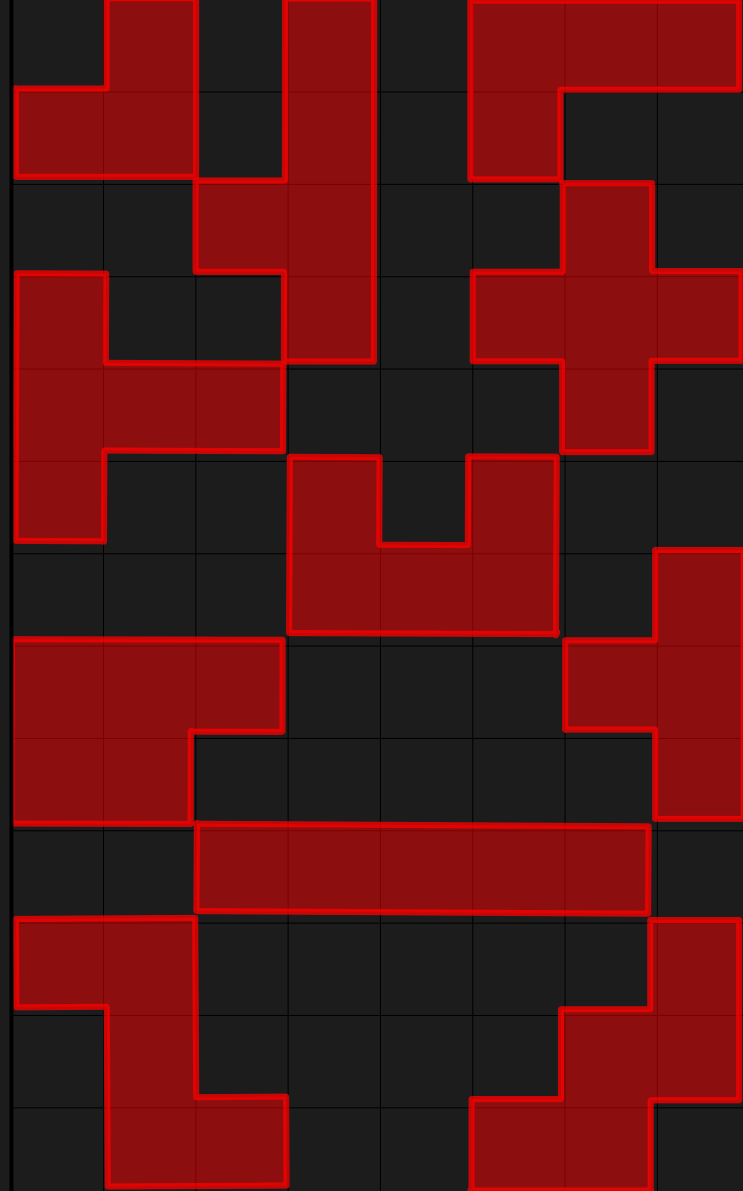

Retail to ESport Haven

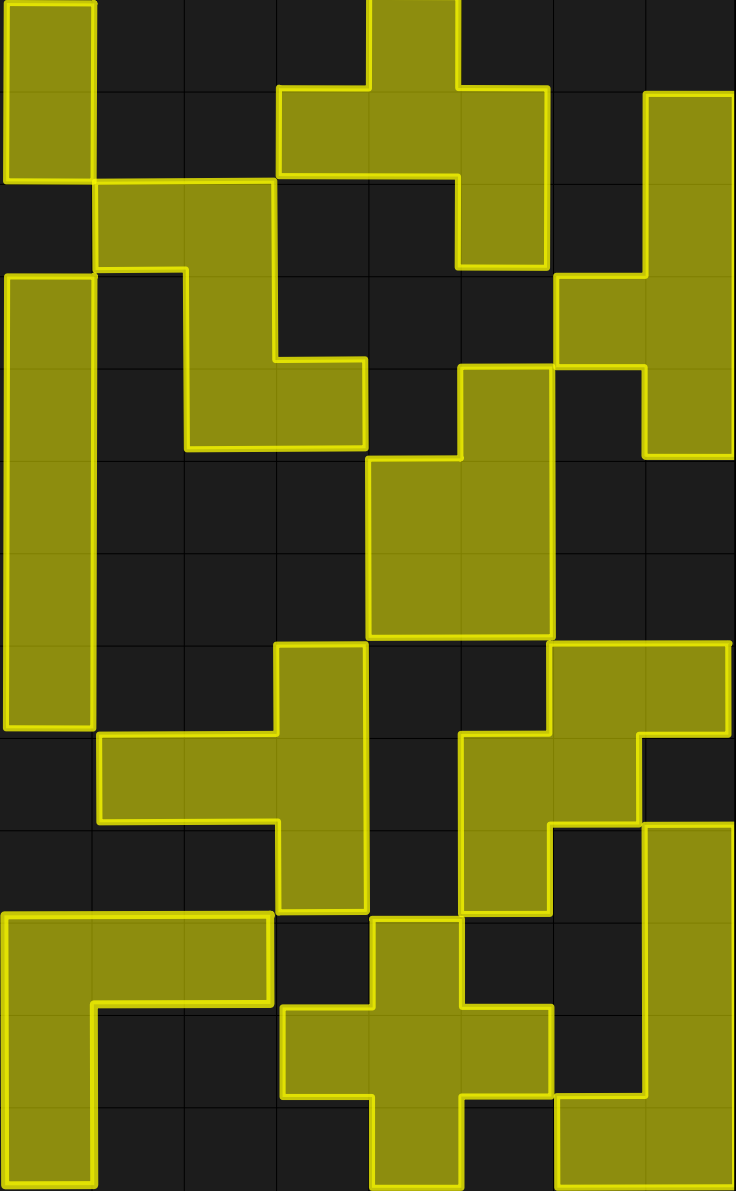

Rapid Rise of eSports

- ♦ Esports are the pinnacle of Video Game Competition
- ♦ US leads the eSport market (\$1.3B Revenue) – Verify
- ♦ Need Graphs showing Top markets and growth projection

Whats wrong with GameStop?

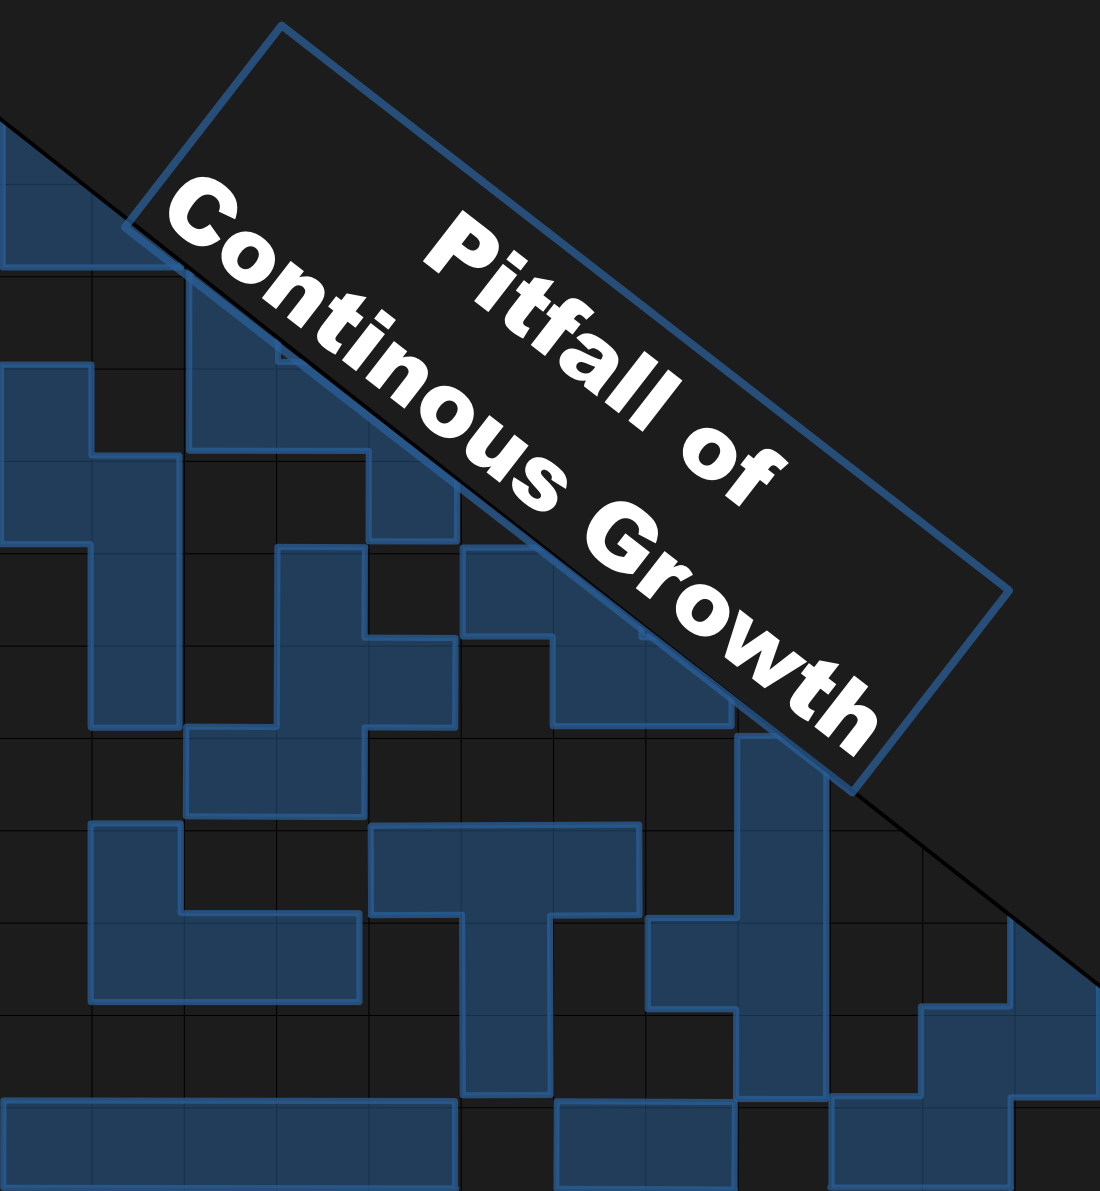

- ♦ Brick and Mortar Gaming is coming to an end. – Find Visual
- ♦ Too many locations.
- ♦

Why GameStop?

- ◆ Brand Appeal
- ◆ Over 2000 Locations
 - ◆ Covers over esports venue deserts
- ◆ Graph of amount of people playing games and every location of Gamestops

Pitfall of Continuous Growth

- ◆ As games are becoming more and more expensive both in Dollars and Resource Usage , the hobby is heading towards an unsustainable growth for the average consumer
- ◆ Not only are the games more expensive, the hardware to play games are increasing.
- ◆ Not to mention the strength of the dollar dropping over the past 40 years.

Collaboration at its finest

- ◆ Gaming Cafes
- ◆ Youth/School Programs
- ◆ Local Tournament
 - ◆ Feeders into larger tournaments
- ◆ All about building a culture

Demographics and Outreach

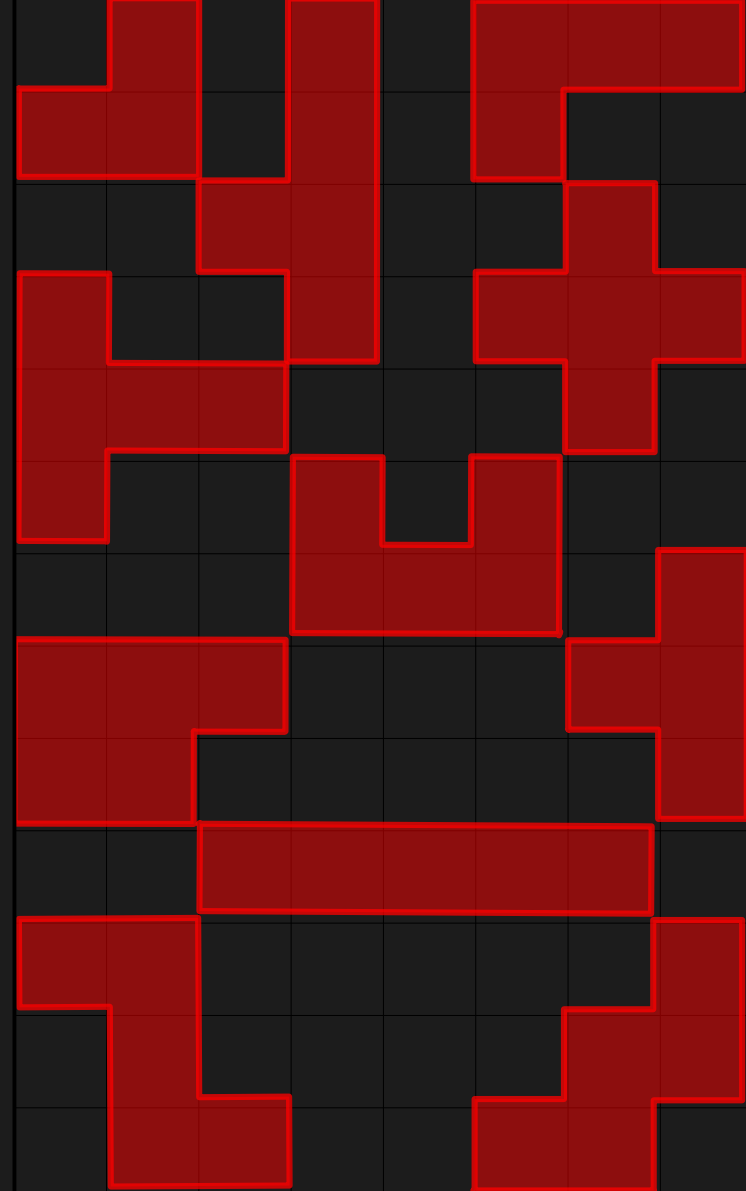

- ♦ Pie Chart of Gamer Demographics
- ♦ Breakdown by state

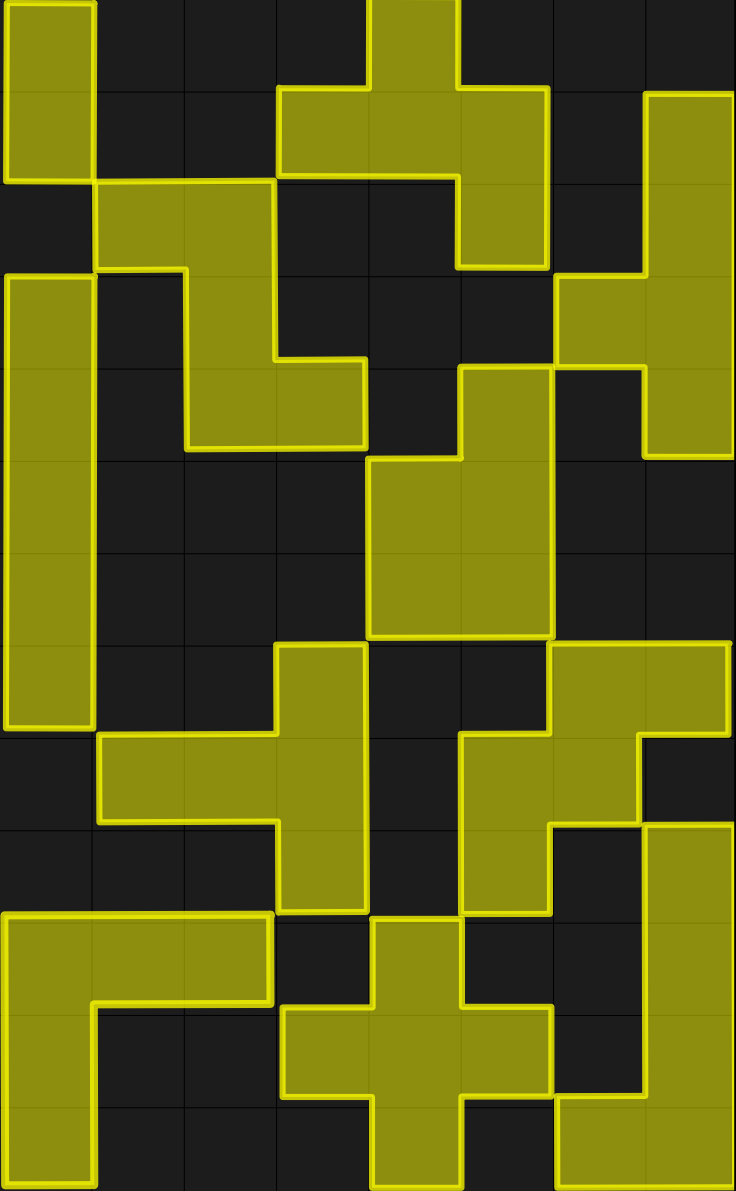

How to win and how to grow

- ♦ Streams of Revenue
 - ♦ Streamed Content
 - ♦ Concessions
 - ♦ Events
 - ♦ Sponsors
 - ♦ Cyber Cafe
- ♦ Possible Partners
 - ♦ Game Developers
 - ♦ Intel/AMD/NVIDIA
 - ♦ Venues for Events

Possible Roadblocks

- ♦ Culture isn't there yet
 - ♦ May take a lot of money and time to change culture
- ♦ People don't like to leave the house to play games
- ♦ Possible High Renovation cost
- ♦ Industry Giants may not be a fan of the model in the long run

EndGame

- ◆ Engages the youth
 - ◆ Creates a safe space after school
- ◆ Grows an Industry and a pipeline to the big leagues
- ◆ Some Graphic about the future

Conclusion

- ◆ The transformation of GameStop to a true place to “Stop and Game” is an opportunity to curate a culture
- ◆ Create more opportunities for the youth to socialize in a safe space
